Bloomma Spring 2026 – Ordering & Fulfillment Guidelines

Placing Orders

Orders may be placed online or by email. We are unable to accept orders over the phone.

All orders submitted by email must be sent to info@bloomafarms.com.

We strongly encourage using the [online ordering portal](#), as online orders are prioritized over those submitted by email.

Availability & Inventory

Our Open Availability Report, showing crops ready for the following week, is posted each Friday afternoon. **Please note that online inventory is not live.** It reflects a snapshot of the Friday availability and does not guarantee product availability at the time your order is placed.

All orders are filled on a **first-come, first-served basis**, based on inventory at the time of pulling.

Allowing substitutions is highly recommended, as it greatly improves overall fulfillment. All orders must indicate whether substitutions are allowed.
